Dear President Juan R. Olivarez,

The Founding Values Initiative is giving a scholarship to Grand Rapids Community College in the name of the Congressman Hal Sawyer Justice Award to be presented at a luncheon at the Penn Club in Grand Rapids on May 10<sup>th</sup>. The award will go to a person who acts within the judicial system to promote respect for a government of laws. A scholarship will go to a GRCC student in conjunction with the award. The amount of the scholarship will be between \$250 and \$1000. This will depend on the amount of money raised.

We would like to request your help in determining a student who qualifies for this scholarship. We would appreciate your help as soon as possible as we would like to invite the student who wins the scholarship to the luncheon in May.

Please visit the website at [www.foundingvalues.com](http://www.foundingvalues.com) for more information about the first annual Founding Values Initiative Awards luncheon focusing on the personal qualities of integrity, commitment and justice. The theme of this event is *Celebrating the Era of Gerald R. Ford*.
